SUPPLEMENT IFORM
ADDING A SUPPLEMENTAL PAYMENT

Overview: The Create New Payment action on the Supplement iForm is used to create a new supplemental payment for a Duke employee. It is used any time a new supplement is established. Keep in mind the following guidance around supplemental payments:

• The supplemental payments and the Supplement iForm only apply to exempt (monthly) employees.
• Supplemental payments should not be paid in advance of the work being performed. iForm cannot be future dated.
• Supplemental payments can be one-time or can be set-up for multiple months.
• The Supplement iForm is available from the Staff tab in iForms and on the Grants Management Tab on the Effort and Payroll Tools and Reports page under Employee Data Search.
• Multiple supplement iForms can be processed simultaneously. Make sure to coordinate payments as appropriate.
• GAP 101.6, Supplemental Payments to Exempt Employees provides guidance on processing supplemental payments.

Step 1
Enter the Name or DUID of the employee receiving the supplement and select Start. When the employee’s information is returned, select New Forms. From the Staff Forms page, select Supplemental Pay.

Step 3

Enter information about the supplement.

A. **Start Month:** Month when supplement begins (recurring) or month when supplement is issued (one-time).

B. **Number of Payments:** Number of months the payment will be issued. Enter “1” for a one-time payment.

C. **End Month:** Last month the payment will be issued. Auto-populates based on the Start Month and the Number of Payments.

D. **Service Start/End Date:** Provides detail on when the activity supporting the payment occurred.

E. **Company:** Company Code of the entity responsible for the funding source.

F. **Cost Center/WBS Element/Cost Object Description:** The Duke cost object to which the supplement will be expensed. Cost object description is the text associated with the cost object number.

G. **Service Type/Service Category:** The Duke general ledger account associated with the payment. The Service Type is always 60. Users will select the Service Category from the drop-down. Drop-down options will vary based upon the position.

Please note: Service Category is not required for health system positions.

H. **Amount:** Monthly amount of the supplemental payment.
