

EDUCATION FOR PATIENTS AND STAFF

- Any desired patient education or staff training requires prior approval
 - Recognize training is part of contract process for new product/device rollout
- Proposed training must be submitted to Pam Edwards, co-chair of Patient Education Governance Council, pamela.edwards@duke.edu.
- Vendor materials are required to be non-branded. Any materials provided to staff must be reviewed and approved
- Vendormate registration does not give permission to present to individual facility staff. Approval is centralized with Patient Education Governance Council
